### REPORT OF THE STATUTORY AUDITOR

To the Governing committee of International Catholic Migration Commission, Geneva

#### Report of the Statutory Auditor on the Consolidated Financial Statements

As statutory auditor, we have audited the accompanying consolidated financial statements of International Catholic Migration Commission ("ICMC"), which comprise the consolidated statement of financial position as at December 31, 2021, and the consolidated statement of activities, the consolidated cash flow statement and notes to the consolidated financial statements for the year then ended.

#### Management's Responsibility

The management is responsible for the preparation of these consolidated financial statements in accordance with Swiss GAAP FER and the requirements of Swiss law. This responsibility includes designing, implementing and maintaining an internal control system relevant to the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error. Management is further responsible for selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Swiss law and Swiss Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control system relevant to the entity's preparation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control system. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the consolidated financial statements for the year ended December 31, 2021 give a true and fair view of the financial position, the results of operations and the cash flows in accordance with Swiss GAAP FER and comply with Swiss law and ICMC statutes.

### **Report on Other Legal Requirements**

We confirm that we meet the legal requirements on licensing according to the Auditor Oversight Act (AOA) and independence (article 728 Code of Obligations (CO)) and that there are no circumstances incompatible with our independence.

In accordance with article 728a para. 1 item 3 CO and Swiss Auditing Standard 890, we confirm that an internal control system exists, which has been designed for the preparation of consolidated financial statements according to the instructions of the management.

We recommend that the consolidated financial statements submitted to you be approved.

The accompanying notes are an integral part of these financial statements.

### Notes to the Consolidated Financial Statements for the year ended December 31, 2021

## Note 1: General Information

International Catholic Migration Commission (ICMC) is a Swiss based organisation, and its consolidated financial statements are prepared applying the accounting principles of the Swiss GAAP FER and the presentation requirements of Swiss GAAP FER 21 "Accounting for charitable non-profit organisations" and Swiss law (see note 2.1). To enhance comparability for its Donors, ICMC presents its consolidated financial statements in US Dollars ("US\$").

#### Note 2: Activity and summary of significant accounting policies

#### 2.1 Activity and basis of presentation

#### Activity

ICMC is a non-profit association based in Geneva, Switzerland and registered under section 60 ff of the Swiss Civil Code. ICMC's main mission is the protection and assistance to refugees, migrants and displaced persons. Translating these principles into concrete actions, ICMC provides a wide range of resettlement, integration and repatriation assistance programs. The number of people employed by ICMC at December 31, 2021 approximates 295 International and 30 Local Staff (at December 31, 2020 approximates 483 International and 31 Local Staff).

#### **Basis of presentation**

The consolidated financial statements have been prepared in accordance with the provisions of the Swiss GAAP FER 21 Accounting for Charitable non-profit organisations ("FER 21"). The consolidated financial statements include the accounts of ICMC Geneva, its branch offices and subsidiaries, ICMC Inc. and ICMC Europe. All interorganizational balances and transactions have been eliminated in consolidation.

#### Use of estimates in preparation of the financial statements

The preparation of financial statements in conformity with the Swiss GAAP FER and FER 21 (re-enacted on 1<sup>st</sup> January 2017) requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of current events and actions, actual results ultimately may differ from those estimates.

#### Statement of financial position

The consolidated statement of financial position distinguishes between restricted and Unrestricted funds. Restricted net funds are those net assets received from third parties to implement projects. Unrestricted funds are those which are freely available and used for internally designated purposes.

#### Statement of activities

The consolidated statement of activities also distinguishes between Restricted and Unrestricted public support and revenue. Restricted use public support includes funds granted by the US Federal funds granted by US Government, and Other Grants and Projects. In addition, restricted use Funds include donations received the use of which is allocated to specific projects and/or time periods.

#### Notes to the Consolidated Financial Statements for the year ended December 31, 2021

#### 2.2 Fixed assets

Tangible fixed assets purchased from Unrestricted use Funds are capitalised and depreciated in equal instalments over the projected useful life of the assets.

Tangible fixed assets purchased from Restricted use Funds are normally expensed in the consolidated statement of activities in the year of purchase. It is considered improbable that such expenditures will generate future economic benefit to ICMC due to the short-term nature of program contracts and the terms of most grant contracts where rights over residual program assets are vested with the grantors.

The estimated useful life of fixed assets is as follows:

Office equipment: Computers 3 years, Telephone system 7 years, Software 3 years, Printer and Photocopy machines 4 years, Office furniture: 7 years, Motor vehicles: 3 years.

#### 2.3. Foreign currency translation

ICMC's functional currency is the US\$. The main reasons for selecting the US\$ as the functional currency are that the largest part of received funds are in US\$ and the US\$ is the foreign currency that is most widely traded in the field.

Assets and liabilities denominated in currencies other than US\$ have been translated at the December 31, 2021 and 2020 rates of exchange per the Wall Street Journal. Public Support, Revenue and Expenses are translated into US\$ on a monthly basis using the month end exchange rates per the Wall Street Journal.

Exchange gains/losses resulting from the application of the accounting principles outlined above are credited/charged to the Statement of Activities.

#### 2.4 Revenue and expenditure recognition

Contributions, funds and grants are normally received as a result of a specific program solicitation or with donorimposed restrictions and are normally subject to a contract that defines the programs and services that ICMC must undertake. Public support revenue is recognised over the duration of the contract in proportion to the achievement of the conditions attached to the contributions or grants.

National contributions from members are recognised as revenue on receipt in the year they are due. Unpaid contributions are not recognised if collection is uncertain.

Contributions, without donor-imposed restrictions, if any, are reported as unrestricted support and increases in unrestricted fund capital.

Contributions with donor-imposed restrictions, if any, are reported as restricted support unless these restrictions are met in the same reporting period.

Contributions are recognized as income once the related service has been provided and collection is deemed to be certain. Contributions, as a general rule, are measured at the fair value on the date received. For contributed services, the fair value may be determined based upon the fair value of services received or fair value of asset or asset enhancement resulting from the service.

Pledged amounts not yet received are recognised in the statement of activities when expenditures are incurred in advance of the receipt of funds and a contract has been signed with the grantor. Each program is based on conditions of realisation and/or improvement; hence the revenue is recognised when the funds are effectively transferred by the donor.

Interest income is recognised on an accrual basis and is presented as a component of investment income.

#### 2.5 Income taxes

ICMC is a not-for-profit association and is exempt from Swiss corporate income and capital taxes exemption granted by the Geneva Cantonal authorities. The latest exemption was received on the 9th September 2016 for an undefined period.

## Notes to the Consolidated Financial Statements for the year ended December 31, 2021

#### 2.6 Employee benefits

(i) Retirement benefit obligations - Secretariat employees in Switzerland

ICMC operates a Swiss pension scheme for all of its Secretariat employees in Geneva. The plan is a collective plan administered externally and it is funded based on annual premiums calculated by the external administrator of the multi-employers collective fund, in compliance with Swiss employee benefit legislation and the fund rules. The plan is accounted for as a defined contribution scheme under Swiss GAAP FER.

The costs recognised in the financial statements under the Swiss law represent the annual employer's contribution to the plan for each employee, as no additional contribution will be supported by the organisation at the time of employee's retirement. At December 31, 2021, ICMC had made all requisite contributions for the 2021 plan year and there were no unfunded obligations with respect to this plan at year-end 2021.

(ii) Retirement benefit obligations - expatriate employees

In April 2007, a specific pension scheme was launched for all expatriate employees. Contributions are based on gross salary during the term of employment in the organization and no costs will be recognized in periods after the termination of service of the employees. The contributions are transferred to an external and independent insurance company that manages the funds in accordance with the policy agreed by the employees.

(iii) Other employee benefits

Certain employees are entitled to additional benefits that accrue based on the number of years of service. Such benefits are payable in full when the employee terminates his employment with ICMC or retires.

#### 2.7 Shared Costs

The organisation applies a shared costs policy for meeting donors' requirements, in terms of accuracy and fairness.

The monthly actual expenses incurred for common services that benefit for several projects are allocated on the basis of the monthly actual direct costs of the relevant projects.

#### 2.8 Cash and cash equivalents

Cash and cash equivalents include petty cash and bank accounts.

#### 2.9 Accounting Standards

The Organisation follows the principles of the Swiss GAAP FER (and specifically Swiss GAAP FER 21), and in accordance with the provisions of the Swiss code of obligations for the purpose of compliance with Swiss law.

### Note 3: Subsequent events and perspectives

There were no subsequent events that would have a material impact on the financial statements. The Association anticipates that the level of activity for the coming years will increase slightly due to the global environment. The Pakistan office has stopped its operational activities since the end of the year 2021 and should officially close the office during the course of 2022.

## Note 19: Related party transactions

All inter-organizational balances and transactions have been eliminated in the consolidated financial statements. There were no transactions with those charged with governance.

### Notes to the Consolidated Financial Statements for the year ended December 31, 2021

### Note 20: Financial instruments

ICMC does not enter into foreign currency exchange contracts and does not hold any off-balance sheet financial instruments.

#### 20.1 Credit risk

Financial assets that potentially subject ICMC to concentrations of credit risk consist of cash and cash equivalents, investments and receivables from grantors. Cash and cash equivalents are placed with high credit quality financial institutions, investments are only made in highly rated government or state debt and grant receivables are primarily due from the US Government or other large political institutions.

## 20.2 Fair values

As at December 31, 2021 and 2020 the fair value of cash and cash equivalents, investments and other current assets and liabilities are not materially different from their carrying amounts.

### 20.3 Foreign currency risk

Financial assets that potentially subject ICMC to concentrations of currency risk consist of cash and short-term deposits, investments and receivables from grantors in another currency than US\$. The current expenses incurred for HQ in Switzerland are paid in CHF whereas few CHF are received as income. In that situation the organisation is highly sensitive to the variation of US\$ and EUR against CHF. Foreign currency movements are continuously monitored by the organisation but currently there is no use of currency exchange contracts. An analysis of cash assets by currency is provided here:

	<u>Local</u> <u>currency</u> <u>(000)</u>	<u>Conversion</u> <u>rate</u> <u>31/12/21</u>	<u>USD</u> (000)	<u>Local</u> <u>currency</u> (000)	<u>Conversion</u> <u>rate</u> <u>31/12/20</u>	<u>USD</u> (000)
Total petty cash		-	35		-	22

Total bank accounts			8,656		-	9,938
Total Cash and cash equivalents			8,691		-	9,960

## 20.4 Investments and Financials incomes

In 2020, ICMC invested 750 KUSD in a Socially Responsible Investment Fund. This investment generated in 2021 41 KUSD (2020 KUSD 236) of unrealised gains.

### Notes to the Consolidated Financial Statements for the year ended December 31, 2021

#### Note 21: Headquarter lease agreement

In July 2021, ICMC signed a non-cancellable lease agreement until December 31, 2026. The annual rent was agreed at CHF 51,636 (approximately US\$ 56,600). As required by Swiss law, the annual amount of the rent will be revised from time to time. The cost for 2021 is CHF 168,696 (US\$ 185,387). The remaining obligation is USD US\$ 282,999 at 31<sup>st</sup> December of 2021.

	31.12.2021	31.12.2020
	US\$	US\$
Within one year	56,600	163,199
Between 1 to 5 years	226,399	0
Over 5 years	0	0
	282,999	163,199

## Note 22: Headquarter- management remuneration

The key management personnel of ICMC paid in Switzerland is composed by 3 persons at the year-rend (General Secretary, the CFO and the COO). In addition, in 2021, the remuneration 2021 include Directors and Heads of department who left ICMC during the year due to a restructuration. They received in 2021all together KUS\$561 (KCHF512), in comparison of 2020 KUS\$894 (KCHF791) for 5 members. Governing Committee members did not receive any remuneration in 2021 (or 2020).
