

Ways to Make a Difference

Here are a few examples of how you can support ICMC's efforts to restore dignity and hope to migrants and refugees around the world and further your philanthropic legacy:

- Donate online through our [donation page](#) or over the phone at 771-777-4916.
- Mail a check to our office at 415 Michigan Ave NE Ste 225 Washington DC, 20017
- Ask your employer about their workplace giving program. Employee and employer-matched gifts are an easy way to maximize your impact!
- Invite your friends and family to support ICMC's mission by starting your own peer-to-peer fundraiser. You can easily create your own fundraising page [here](#) and help grow ICMC's community of supporters.
- Donate non-cash assets (like appreciated publicly traded stock) directly to ICMC and obtain a tax deduction and avoid capital gains taxes.
- Direct gift(s) from your Donor Advised Fund, providing consistent funding to ICMC. You can also use your DAF to fulfill a pledge.
- Make the most of your ability to avoid taxes on required minimum IRA distributions ... an approach that many of our donors find easy and effective.
- Through a QCD from your IRA you can create a charitable gift annuity; it can count towards your minimum distribution, doesn't trigger tax liability, and provides annual income for life.
- Create a charitable gift annuity, obtain a tax deduction, a highly competitive rate, and tax-free income.
- Establish a charitable lead trust that makes gifts to ICMC for 20 years and then returns funds to your family.
- Establish a charitable remainder trust with funds that would otherwise be in your estate (possibly leading to taxation), but which would provide income to one or two beneficiaries for their lives with the remainder going to ICMC.
- Use your retirement fund or fully paid insurance policies to support ICMC.
- Name ICMC as the bequest beneficiary of your Donor Advised Fund or other insurance policies.
